

Louisiana School Lunch Week
March 13-17, 2023

Contest Information Packet

The 2023 Louisiana School Lunch theme is ***S.T.E.A.M Up To School Lunch Louisiana***. In addition to showcasing Louisiana crops, this year's theme aims to showcase S.T.E.M. and S.T.E.A.M. programs at schools throughout our great state. Our students are extraordinary talented and our nutrition programs contribute to their success in science, technology, engineering, arts and mathematics classes.

During the week of March 13-17, 2023 show off Louisiana food products that are prepared for students in your District. This week recognizes the contribution that the Louisiana products provide to the health and wellness of our students who take advantage of the meals provided. Don't forget to showcase your student's art and educational talents in your cafeteria this week. We recommend project displays, contests and prizes to engage your students. Above all make everything FUN!!

Note: There is no menu template for LSLW 2020. Prepare your menus to include and showcase Louisiana products daily while demonstrating our S.T.E.A.M. theme.
